

**Health Information Exchange Panel:  
Regional Projects Aimed at Creating an Integrated Patient Medical Record**

**Monday, March 12, 5:30 to 7:30 p.m.**  
**Red Lion Hotel at the Park, Spokane**  
(no cost, light refreshments served)

As hospitals and providers begin to determine the type and functionality of patient information that they need to reduce the cost and provide better care for their populations; the panel will discuss specific and broad solutions for discussion among rural and urban providers.

**Panel Moderator:**

**Sue Deitz**, Director of the Critical Access Hospital Network (CAHN)

Deitz is currently working with 5 rural hospitals in Eastern WA to implement the Clarity Health system and connect to Regional Systems in Spokane.

**Panelists:**
