## 7TH ANNUAL FREE GRANT-ADAMS ECO-GARDENING SYMPOSIUM

**April 20, 2024**

**9 am to 1 pm**

**1800 ATEC Building at  
Big Bend Community  
College**

**7611 Bolling St. NE  
Moses Lake, WA**

# FEATURED SPEAKERS

**Harold Crose:** Odessa Groundwater Replacement Project, Moses Lake Water Quality Plan. You will learn about the aquifer that lies beneath all of us in Grant and Adams counties. Is our shared aquifer in good shape? How do we compare with folks living elsewhere in Washington and the country?

**Tim Kohlhauff:** Urban Horticulture Coordinator, WSU Extension, Spokane County. Waterwise gardening specifics: how does a Grant-Adams gardener more efficiently use water? Equipment & plants? How about soil, weeds, pests? Return on investment? Research based answers to help you how to become waterwise.

**Dinah Rouleau:** CBCD Heritage Garden Manager, Grant County. Create a beautiful waterwise garden using a wide variety of plants that are native or thrive in Grant-Adams counties. A waterwise garden will save you time and money. You will also learn about future Grant County Heritage Gardens to visit for inspiration.
