

What does a goat need for a healthy diet?

What are the associated costs to owning goats? Shelter, food, vaccines, more?

What types of goats are best for milking, meat, pack animals?

Extension programs are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office.

WASHINGTON STATE UNIVERSITY
LEWIS COUNTY EXTENSION

Small Farm Success: All About Goats

**Workshops are two Saturdays,
October 28 & November 4,
2017**

**8:30 am to 4:00 pm
(doors open at 8 am)**

Location:

**Historic Courthouse
351 NW North Street
(west entrance)**

Chehalis, Lewis County

The WSU Lewis and Cowlitz County Extension offices have teamed up to bring you a unique offering and delivery of workshop topics relative to owning, caring for and feeding goats.

These workshops include sessions on how to select the right type of goat for your goals of goat keeping, whether they are for meat, milk, packing or helping to keep the grass down on your property. Come learn about the husbandry of keeping goats and what you need to be successful.

Sessions are located at:

351 NW North Street in Chehalis WA, call 360-740-1212; for detailed directions.
