Basic Composting

(Preregistration required 360-740-1216)

April 4, 2017; 6 - 8 P.M.

Olequa Senior Center

119 SW Keron Street, Winlock 98596

If you've tried composting unsuccessfully or you want to learn how to compost, this workshop is for you.. Composting is part art and part science, kind of like baking a cake. We'll demystify that process & help you get started producing good-quality compost for your garden & landscape.

Know Your Soils

Call 360-740-1216 to preregister in advance to receive instructions on obtaining a soil sample prior to the workshop.

April 27, 2017; 1 - 3 PM

Mossyrock Community Center

219 East State Street, Mossyrock 98564

If you want to grow better plants, you first need to understand the texture of your soil. Collect & bring in a sample of your soil & learn how to test for pH, Nitrogen, Phosphorus & Potassium.
