Plants must have been in the owner's possession for three or more months. No oiling spray or artificial coloring is permitted. No visible props are allowed.
- **Plan Ahead:** All entries for floral classes should be planned at least a day before show since all flowers need care after cutting to improve their staying qualities.

Place immediately in a container of warm water. Do not expose to air. To seal **dahlias**, dip cut in hot water. To seal **poppies**, singe the tip with a flame.
