

# *Immerse Yourself in Puget Sound* **Become a WSU Beach Watcher!**

**Love the Beach?**

**Care about our Waters?**

**Want to Give Back?**

Receive 80 hours of training through presentations and field trip experiences with experts in topics like water quality, climate change, marine wildlife, coastal processes, citizen science, community outreach and more! Then, volunteer 80 hours back over the next 2 years in projects that you select.

**Why is Being a Beach Watcher Awesome?** You will get to immerse yourself in Puget Sound knowledge! Not only will you learn TONS, you will also get the hands-on experience. Then, share what you have learned through education projects to help people better appreciate, understand and conserve Puget Sound health OR get involved in one or several Puget Sound related research projects OR bring your own ideas to craft your own volunteer experience!

**2017 WSU Beach Watcher Training Program**  
**Every Friday from March 17 — May 19 AND Saturdays**  
**April 1 & April 29 from 9 AM — 3:30 PM**  
**Based out of McCollum Park, 600 128th St. SE, Everett**

There is a materials fee of \$55 (Electronic version) or \$75 (Hard copy).

**An application due on March 8 (extended deadline) and a free background check are required.**

Find our application at <http://extension.wsu.edu/snohomish/naturalresources/beachwatchers>

WSU Extension programs are open to all without discrimination.
