**Join us.** Please join us for a night of FUN, entertainment and great silent and live auction items to SUPPORT the 4-H Know Your Government Program. KYG is a program that engages high school youth to participate in a hands-on civic educational conference.

Youth, 4-H volunteers and staff prepare for several weeks prior to the conference in February. Youth learn about and participate in three branches of government with their peers from across the state. This year's theme, **Judicial System**, invites students to explore the WA Judicial branch of government. In addition, delegates will become familiar with difference kinds of cases, WA five court and their jurisdiction, the trial process, resolving conflicts, the roles and purpose of those in a mock trial. *During the conference teen will take on roles of the attorney, defendant, witness, jurors, or reporter as they participate in a mock trial with a real judge.*
