<tr>
<td>Charles Street Community Garden</td>
<td>Everett (Port Gardner Neighborhood) Federal Avenue at Charles St, Everett, WA</td>
<td>Community</td>
<td>On City undeveloped Right of Way, developed via funding by city matching grant from City of Everett to Port Gardner Neighborhood, built in 2008-2009. Has 22 raised bed boxes on a terraced slope, with common area blueberries, strawberries and raspberries, compost bin and shed. Community managed. Our Pea Patch is for neighborhood residents to participate in, gather for community events and gives our local elementary school an education opportunity for their students. They currently assist with 4 plots out of 22. Our garden is located on the corner of Charles St and Federal Ave in Everett. We do encourage visitors to come by and look and in fact it's right on a major sidewalk and along a pathway so it's hard not to notice it but we don't promote picking any produce of course, just because most of us do eat what we grow so it's a big deal.</td>
<td>Laura Breen-Young or Lembi Kongas at 425-303-1370, <a href="mailto:charlesp.patch@gmail.com">charlesp.patch@gmail.com</a></td>
<td>Yes</td>
</tr>
<tr>
<td>Bayside Park P-Patch</td>
<td>Everett 23rd St &amp; Grand Avenue Everett, WA</td>
<td>Community</td>
<td>It's been 21 years since this abandoned hillside at the west end of 23rd St. was cleaned up and developed as a p-patch by neighborhood activists/ gardeners, thanks to cooperation by the land owners, Scott Paper (now Kimberly Clark) and the City of Everett. The fee is $30 a year, but no one who is unable to pay is ever turned away.</td>
<td>Mary Belshaw at 425-258-1527 for information on renting a bed.</td>
<td>Yes</td>

<td>Interfaith Family Shelter Garden</td>
<td>Everett</td>
<td>Interfaith Association of Northwest Washington</td>
<td>Residents Only</td>
<td>Our Interfaith Family Shelter garden provides a truly unique experience for our shelter guests and community members. Vegetables, fruits and flowers have been grown for at least eight years. The garden has several rows of raised beds, a pumpkin and squash patch, raspberry bushes and apple trees. Master Gardeners contribute greatly to its success while shelter guests learn the skills of small gardening and giving back to community. The garden is SO abundant that in season, we are able to share our harvest with local food banks.</td>
<td>Administration: 425-252-6672</td>

</tr>
<tr>
<td>Jackson Park (in development)</td>
<td>Everett</td>
<td>Delta Park Neighborhood</td>
<td>Community</td>
<td>Among the features are two separate playground areas for children of different age groups, a basketball court, a second picnic shelter, LED lighting that will illuminate the park at night, a new restroom which will be closer to play areas, three rain gardens to catch storm water and a walking path which will surround the area to provide walking and jogging opportunities. All of these features will be completed in phase one of the renovation by September 2015. A 36 plot community garden for the Delta Neighborhood is also in the plans, and that will be available for use at the beginning of planting season in 2016. Federal Community Block Grant dollars will also assist in the development of the community garden. The garden will promote local, sustainable food production.</td>

<tr>
<td>Lowell Community Garden</td>
<td>Everett</td>
<td>Community</td>
<td>The Garden was made possible in 2009 by a generous Long time resident of Lowell who donated two acres of his rich Snohomish River Bottom land for use as a community garden. The land was cleared and cultivated into workable garden soil by volunteers from the Lowell Civic Association. We currently have one acre in cultivation, with plots ranging in sizes from 10'X10' to 20'X40'. All available plots are either leased to individual gardeners, or planted to produce vegetables for the local food banks.</td>
<td>Paul Roberts, 425-259-6918, Lowell Community Garden Chairman</td>
<td>Yes</td>
</tr>
<tr>
<td>The Red Barn Community Garden and Food Bank Farm</td>
<td>Everett</td>
<td>Community</td>
<td>The Red Barn Community Farm is a partnership between Volunteers of America, Transition Port Gardner, the Lowell Civic Association, RSVP of Snohomish County, and the City of Everett that allows individuals in the community to grow their own produce. Garden plots are available annually, which require a small rental fee and service requirement.</td>

<td>St. Michael’s Catholic Church, (Garden of Abundance)</td>
<td>Snohomish</td>
<td>Church</td>
<td>The St. Michael Community Garden was started in 2009 as part of the SnoGrow program. SnoGrow is an initiative of churches of all denominations and garden Clubs in Snohomish who cooperate to grow produce for the food banks in the Community. The project at St. Michaels was funded by a grant from the Master Gardeners Association of Washington and the Archdiocese of Seattle with funds from the annual “Rice Bowl” collection. The garden was also fortunate to have the fencing and arbor erected by Kevin Iverson as his Eagle Scout community project. We continue to receive modest grants from the Rice Bowl collection each year.</td>
