

2017 Washington State's International Exchange Program Delegates Summer July 23 – August 17

Males

#16 – Shun is 12, and he enjoys fishing and playing games. He's very good at origami and plays tennis. He'd like to ride a horse, a roller coaster and talk with his host family. LEX program

#18 – Motokuni, age 12, loves to cook and play board games, especially Othello. He'd like to help take care of animals, cook and be part of his host family. LEX program

#23 – Jimin is 15, and likes to play basketball, ping pong, soccer, and listen to music. He is shy, but curious and cheerful, and hopes to make good friends. Korea 4-H program

#24 – Min Jong is 16 years old. He enjoys football, soccer, movies, and his two cats. He likes camping and outdoor activities, lots of different types of music, and he's working on learning many languages, but especially English. Korea 4-H program

#25 – Hyesung, age 16, plays most sports, but especially enjoys basketball, table tennis, and soccer. He enjoys playing the guitar and wants to learn new things and become more courageous through this exchange experience. Korea 4-H program

#26 – Yewan is 15, plays sports, especially soccer, loves animals and wants to be a veterinarian. He's looking forward to learning about more kinds of animals (in addition to his 5 dogs, 2 turtles, a frog and a cat), American culture, and making friends. Korea 4-H program

#27 – Dongyeon, (but you can call him Andrew) is a 12 year old who enjoys travel and sports. He loves to read comic books, science books, sports books, and his favorite school classes are PE, math and science. This summer will be his second visit to the US because "America is SO BEAUTIFUL." Korea 4-H program
