Washington 4-H
International Exchange

Host Family How-to

- Apply online at [https://www.states4hexchange.org/](https://www.states4hexchange.org/)
- The host sibling is your child of the same gender and within 3-4 years of the hosted youth.
- Families without children of the appropriate age may host an adult chaperone.
- No special activities need to be planned, these youth want to experience American culture, make new friends, and improve their English by staying with your family.
- Families are responsible for providing room and board for delegates. A shared bedroom with the host sibling is fine, but delegate must have their own bed.
- **If you’re a first-timer**, complete background check permission forms for anyone over 18 who will be living at your house during the exchange period.
- **If you’re a first-timer**, or you have moved from your previous home, an in-home interview will be conducted with your entire family either in person or via Skype or Zoom.
- **If you’re a first-timer**, submit two references when you complete the online application.
- When host family screening is complete, you’ll be matched with a delegate and receive the delegate’s Personal Information Sheet along with other program resources.
- Please wait 2 weeks after the delegate match has been submitted to contact your delegate. This allows the host country to contact the delegate’s family with your information.
- If your delegate will be participating in a camp during the exchange period, submit a Camp Request Form as early as possible. Camp fees may not be reimbursed if submitted after delegate arrival.
- Participate in an online Host Family Orientation session.
- Arrive at the meet-up (pick-up) location within the scheduled time frame to take your delegate home.
- Have a wonderful Exchange!
- Bring your delegate to the good-bye (drop-off) locations within the scheduled time frame, or make arrangements so your delegate can get there with another host family.

If you have questions before or during the Exchange contact:
