Fair Reports

- Leaders offered a "Thank You" to Ginny Beaudoin for stepping into the Temporary Coordinator position with a "Git 'Er Done" attitude and coordinating the 4-H part of the Fair.
- Over-all leaders reported that it was a good Fair with leading and teaching going on between members.
- Large Animal Round Robin went well. Perhaps next year members should show their own animal.
- Needs to be a conversation about more shavings next year.
- Need the Happening Place back next to the Rabbit/Poultry/Cavy Tent. This was a well-used space and having Rabbit/Poultry/Cavy in the animal area made it too noisy and distracting for the competition.
- Make sure we invite Maddy Ovenell to the July meeting next year.

Scholarships:

- Pierre Franklin Award goes to Hanifa McGovern
- Kiergaard Award goes to Gabe Lawson
- Pamona Grange Award goes to Maden Shanks
